

# Drains to Harbour Onerahi Primary School trip to *Dragonfly Springs*

# Mr Busck welcomed us to Dragonfly Springs

ONLY RAIN DOWN THE DRAIN

DTH – Kim Jones

KEEP OUR WATERWAYS CLEAN

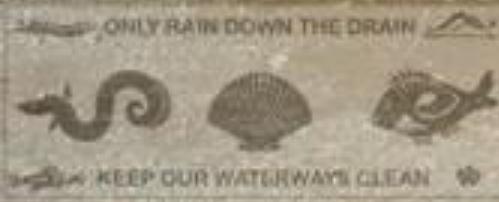

and showed us where the stormwater flows into the wetland...

DTH – Kim Jones

We saw some rubbish being caught in the big rocks like this plastic bag Mr Busck is holding

DTH – Kim Jones

Then we went for a walk and looked at some of the plants like this Manuka

DTH – Kim Jones

# We saw the birdhouses made for Grey Teal

We walked on and  
found a dead rat in one  
of Mr Busck's traps!

Then we did some water testing like this clarity test – we could see 69cm down the tube – that's pretty good!

DTH – Kim Jones

We also took the temperature of the water – it was between 15 and 17 degrees celcius during the day...that's pretty good too
